

YOUR RESOURCE

For On-Demand Book Binding Machinery

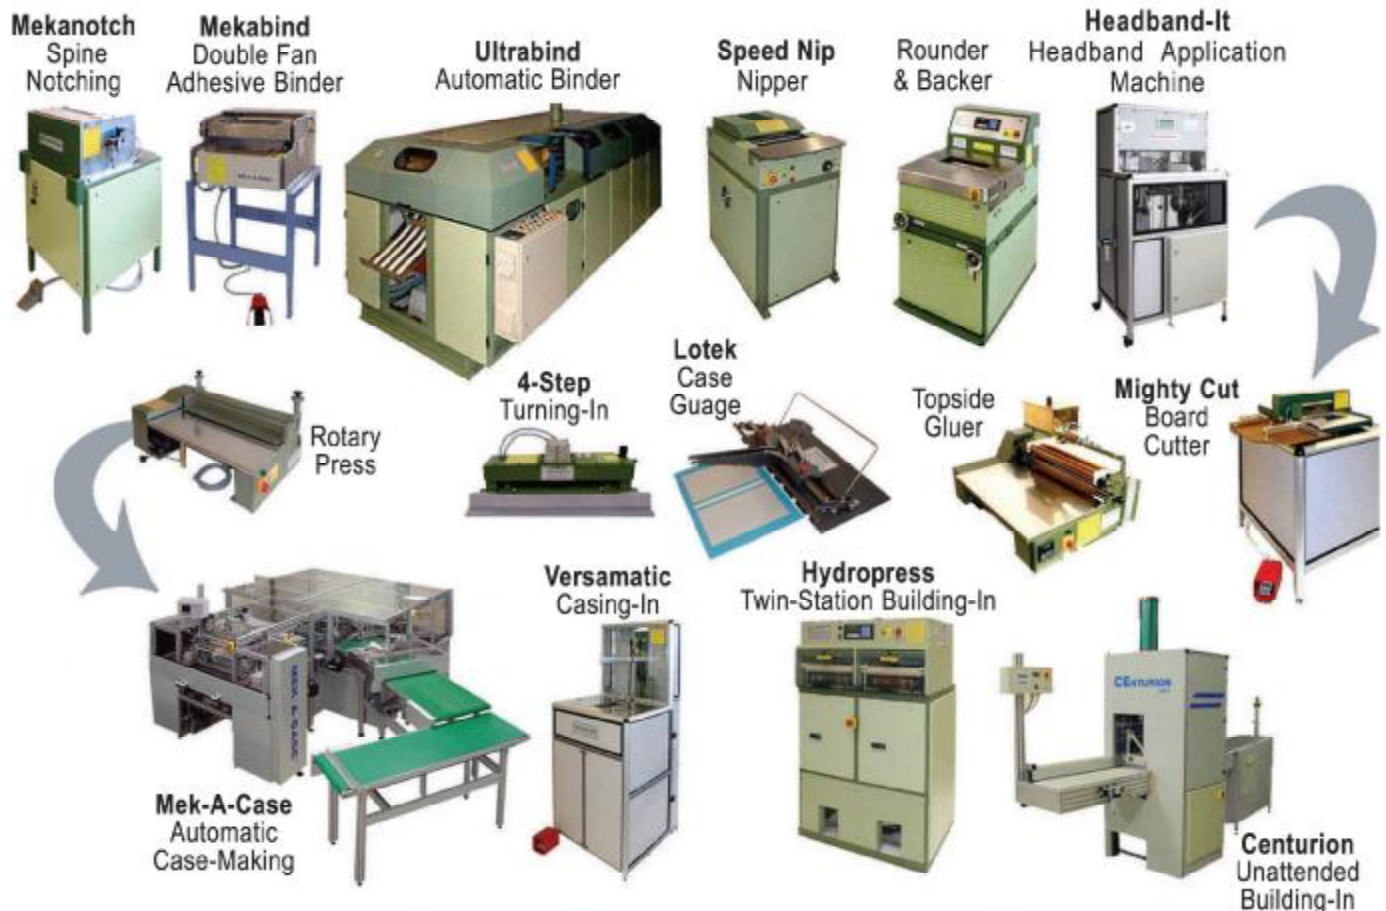

Mekatronics is *Your* single source for short run, hardcover, ON DEMAND binding machinery; with self adjusting, zero make-ready equipment.

Jack Bendror:

Jack Bendror has been in the bookbinding business since 1952. He pioneered the automation of the Library Binding Industry, the original "On-Demand" hardcover book binders. His expertise and knowledge is why the "On-Demand" industry goes to his company, Mekatronics, Inc. for their binding needs.

Mekatronics (Over 50 years of innovation in the book binding industry!)
 Mekatronics offers a complete Solution to On-Demand Hardcover Bookbinding from Entry Level to the most Advanced Levels.
