

Edge Gluer

• Safe:	Gear train is fully enclosed.
• Versatile:	Applies adhesive to paper, cloth, card or corrugated stock quickly and easily, and without runover. It applies a strip of adhesive to the edge of any stock to be glued up to 5/8" thick.
• Accurate Coating:	The adjustable glue film control allows application of the precise amount of glue required.
• Adjustability:	Adjustment of the glue film thickness is as simple as turning a knob.
• Ease of Maintenance:	Cleaning is a matter of minutes.
• Heavy Duty & Reliable:	Designed and ruggedly built for heavy industrial use and trouble-free maintenance.
